Living, Loving & Learning

Volume 4 | Issue 4 | November 2017

On Tuesday, October 31st, students and teachers from Pre-K and Kindergarten had their annual Halloween Parade to show off their costumes. They ended their parade at the office where they were treated to a performance of Eric Carle's *The Very Busy Spider* performed by the students from First Grade.

Aloha Parents and Friends,

November promises to be a fun and exciting month for our students and families. We began the month with our parent teacher conferences. Thank you for taking the time out of your busy schedules to meet with your child's teacher. These conferences continue to be a powerful venue for parents and teachers to establish important relationships and work collaboratively to positively impact each child's learning.

Chaminade University partners with us on November 9th to provide our second annual family science night. This engaging activity provides students opportunities to participate as scientist in hands on learning activities. On November 17th, Ali'iolani will host a flu shot clinic. This is a great opportunity to have your child vaccinated for the upcoming flu season. Information about this voluntary activity is forthcoming. Our annual Turkey Trot fundraiser will be on November 22nd. Proceeds from this activity are dedicated to our technology initiatives. It is also important to note that there will be no school on November 10, 23 and 24.

We appreciate your confidence in our school's commitment to provide rigorous and relevant learning activities for your child. We are also thankful for your loyal support and involvement.

We wish you a great Thanksgiving celebration.

Sincerely,
Joseph Passantino

A Message from our Principal

As we continue to beautify our school campus we are very grateful to all who have helped. A special thank you goes out to Mrs. Yokoyama's daughters Kaci, Keri, and Kimi for donating many hours of their summer to clean and paint our stairs. They laid the ground work for Mr. Terry and his daughter Traci to stencil and put up our Mission and Vision along with our multiplication facts. Team work makes the dream work!

Over Fall Break we were fortunate to have Caleb Mossman, an Eagle Scout under the supervision of Mr. Lung, Julina's son who is Troop 114's leader do some work at Ali'iolani Elementary.

The goal of the Eagle Project was to beautify and clean up a location on our campus.

This Ti leaf garden will directly tie into the Hawaiiana class that Kumu Noe teaches on our campus.

THANK YOU!

Mahalo to Susan Pascual and International Outreach Services. Their organization donated over 50 boxes of school supplies. We now have a surplus supply of backpacks, composition books, pencils and more to help our families in need. Please see the counselor, Mr. Heaton, for more details.

Over the EDGE

Team Ali'iolani would like to thank everyone for their support as we raised over \$3,300.

Going over the Edge was a once in a lifetime experience but raising money to help others is always priceless. Thank you all for making this possible for Team Ali'iolani and Special Olympics Hawaii!

Outstanding Ali'i's

Congratulations to Sydney, Candace, Jayden, and Shayla for demonstrating 6 out of 6 GLO's for the 1st Quarter! Those that had perfect attendance and demonstrated 2 out of 6 GLO's were recognized and celebrated at our 1st Qtr. Recognition Assembly.
