- GLO 3:** *Complex Thinker*
- GLO 4:** *Quality Producer*
- GLO 5:** *Effective Communicator*
- GLO 6:** *Effective and Ethical User of Technology*

### BEHAVIOR EXPECTATIONS

## Parents,

Thank you for all your support during this very challenging year. While the pandemic has impacted us in many ways, it's great to have our students back on campus all day, every day. Although we have to do things differently with wearing masks, washing hands frequently, and staying 6 feet away from others, we truly appreciate your patience, understanding, and cooperation with the constantly changing safety guidelines.

As for the remainder of this year, we want our students to finish strong. Please continue to bring your child(ren) to school (as long as they are healthy) so we can get them as prepared as possible for their next grade level. We will also be offering some type of summer program for those that need extra support, more information about this will be coming out soon.

As for next year, we plan on having all of our students back on campus again, unless the Center for Disease Control/ Department of Health guidelines change. We hope next year will look more like a "normal" school year with more school events and activities for our students and families. We are really excited about the future!

All the best,

*Timothy Hosoda*

## A Message from our Principal!

Superintendent Kishimoto came to see our students back on campus! Ali'iolani is one of the few schools that has the staff and space to be able to accommodate 100% of its students. We were fortunate to welcome back our students for in-person instruction in January. We are so grateful for our amazing teachers and staff for making it possible!

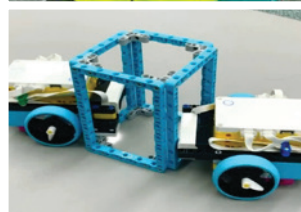

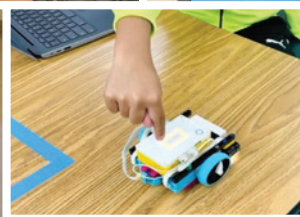

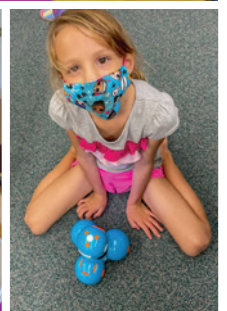

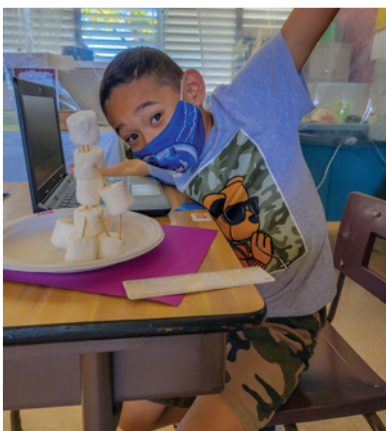

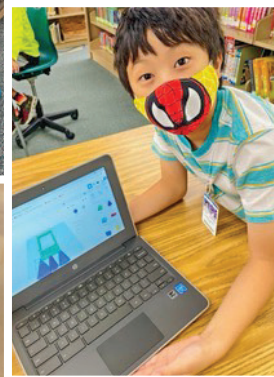

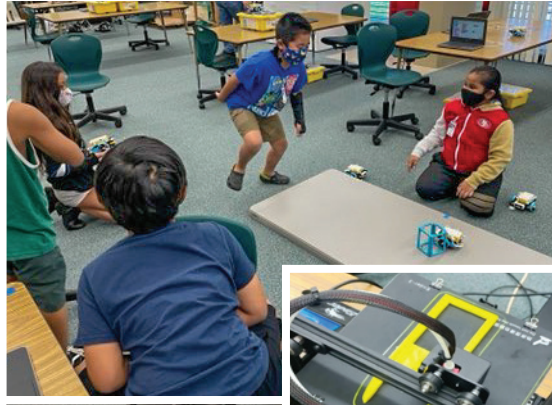

## A NEW WAY TO PLAY!

After months and months of anticipation, the wait is finally over! Our newly remodeled kinder playground is complete! Mahalo to Mr. Terry and the rest of the team involved for making this happen!

## THANK YOU FOA!

A huge mahalo to our FOA. They sponsored two events within the past 8 days, and both were very successful. McTeacher Night helped raise \$1,200, which will directly support our students. We had 120 of our students come for their Easter Drive-Thru event. This is half our total enrollment, which is a very high turn out. Thank you parents for coming out and supporting these events. We can't wait to see what our FOA does next!

# THANK YOU

Thank you for everyone who supported the online book fair. We met our goal of \$2000 in sales, earning almost \$500 to purchase books for classrooms and library!!

## AES NEWS

AES News is a weekly email sent out at the end of each week with news and updates. If you would like to receive our AES News updates on a weekly basis, please call Mr. Hosoda with your email address.
