TURKEY TROT FOR TECHNOLOGY

Thank you everyone who participated and made this year's Turkey Trot for Technology a huge success! Mahalo to all teachers and staff for all your hard work in making this possible! And a special thank you to Mr. & Mrs. Roland Chong for leading the Capoeira sessions for our students and Mrs. Viviana Tran for the Meadow Gold yogurt donation!

We would like to thank all students and families for their support of our on-going effort to provide technology based learning experiences for our students. Your continued interest and involvement in our Turkey Trot will certainly help us achieve our goal of enhancing technology programs for all students at Ali'iolani.

Dear Parents/Guardians,

As this year comes to a close, I can't help but look back at all the wonderful happenings at Ali'iolani for 2017. I feel so fortunate to be a part of a community that works together as a family to provide enrichment and support to all of our children. Once again, we have demonstrated that, "Together We Will." As we review the past year, we can see that our efforts have been extremely productive. I commend our staff, parents, and families for doing an outstanding job in providing all of our children with so much in the way of academic support, encouragement, and love. I look forward to our continued partnership in making Ali'iolani Elementary School a place where all children excel. Wishing you a wonderful holiday season filled with happiness, lots of love, and good health. See you next year!

Sincerely,
Joseph Passantino

Keiki Great Aloha Run

A Healthy Fundraiser for Healthy Kids,
Healthy Families, Healthy Schools

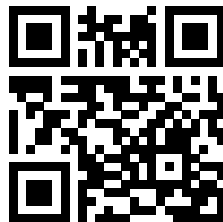

Saturday, February 17, 2018

Program begins at 7:30am • Run starts at 8:00am

It's about that time to register for the fun run of the year! The annual Keiki Great Aloha Run will be held on Saturday, February 17, 2018 at the Neal Blaisdell Center. Join us for an energetic pre-run program and 1.5 mile run with kids from around the island.

Each participant will receive a healthy breakfast, a Keiki Great Aloha Run t-shirt, and free entrance to the Great Aloha Run Fitness Expo. Best of all, \$15 from each registration fee will go to the school of your choice to support their health and fitness programs!

Thank you for supporting healthy lifestyles for our Hawai'i keiki and schools!

"I am a Scientist!"

November 9th was Chaminade University's second "I am a Scientist" Family Night event. Students and their families explored the different areas of Forensic Science. Students learned about finger printing, evidence recovery, chromatography, latent print collecting, anthropology recovery, and microscopic evidence.

A big mahalo to Chaminade University, parents, teachers, and students for your support.

STEM CLUB

Congratulations goes out to Sydney, Jayden, Kailee, Reece, Kanoa, and Kervin on a job well done as they represented Ali'iolani at the Sacred Hearts FLL District Tournament on Saturday, November 11, 2017.

This however would not have been possible if it was not for the leadership, mentoring, and time that Coach Margaret Miura and Coach Terry Urata invested over the past months. Thank you so much for all you do and helping our students continue to be the best they can be.

CORN HARVEST

On September 5th, Mr. Hee and students from B101 and B102 planted corn seeds. Every day they took turns helping to water their plants during recess and Mr. Hee even came to school on the weekends!

On November 22nd, it was harvest time. Each student got to harvest corn.

On October 30, 2017 Ali'iolani School launched The Morning Mile™ program. The Morning Mile™ is a before school walking program that gives children the chance to start each day in an active way while enjoying fun, music and friends.
