J.P.O. Field Day

On Friday, April 6, 2018, the annual JPO Field Day Event was held at the Patsy T. Mink, Central Oahu Regional Park, in Waipio.

The annual Junior Police Officer (JPO) Field Day Program is a Honolulu Police Department sponsored event. All participating schools are invited to attend and be recognized for all their hard work and dedication throughout the school year. This event is also the time for the JPOs to demonstrate their skills and precision at Military Close Order Drills and compete against themselves to present their very best.

The objective of the JPO program is to promote a positive image for the elementary school students

in leadership, training abilities, attention to duty, and the performance of civic responsibility. These qualities are then passed on by example to other members of the student body and our community.

It was announced at our Awards Assembly that our JPOs scored 99 points at the Drill Competition! Congratulations! Ali'iolani School would also like to give big Mahalos to our HPD Advisor, Officer Mark Kishimoto for his guidance and support.

Vision:

Empowering students to make a difference.

Mission:

Ali'iolani Elementary School provides a supportive community that values: Living, Loving & Learning.

Behavior Expectations:

Always Learning, Being Responsible, Being Caring

MAHALO TO OUR LATEST COLLECTORS:

Hiwalani D.	Kailee C.	Ka'imipono U.
Kupono D.	Mikayla J.	Shezten M.V.
Anaeah H.		

Greetings Awesome Ali‘iolani Ohana!

Wow, can you believe we only have five weeks of school left? These last few weeks will be very busy here at Ali‘iolani with learning and special events on campus. We look forward to all great things to come!

The 3rd, 4th, and 5th graders are still working on the SBAC testing and we are very proud of all of our students for shining through this season of standardized testing. Parents, your strong support during this time provided your child with the confidence and positive attitude they needed to make it through. Thank you for always assisting in your child’s education, we truly appreciate the partnership!

Teacher and Staff Appreciation Week is May 7 to May 11. Please say “thank you” to those individual(s) who work closely with your child to ensure success. We have an amazing staff and each person is uniquely responsible for our campus success. We couldn’t be wonderful without them!

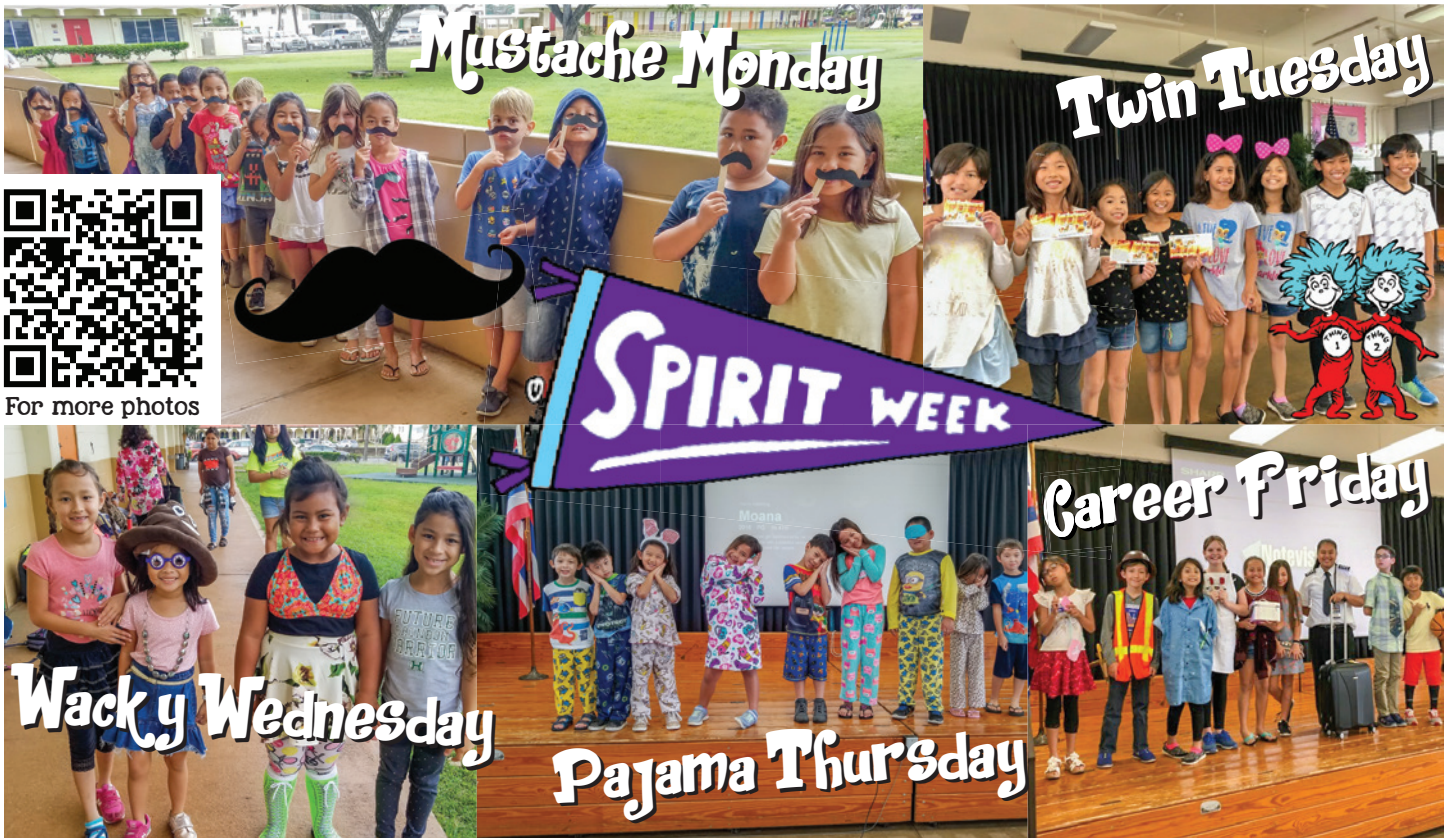

I personally want to thank our Ali‘iolani community for a remarkable academic year! Our school is an extraordinary alliance of students, staff, parents, and our local community. I can’t thank you enough for your continuous commitment and support this year. Enjoy the last few weeks of school and I look forward to working with you next school year.

Have a fantastic rest of the month and enjoy your summer days!

Sincerely,

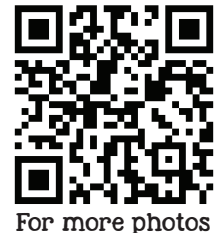

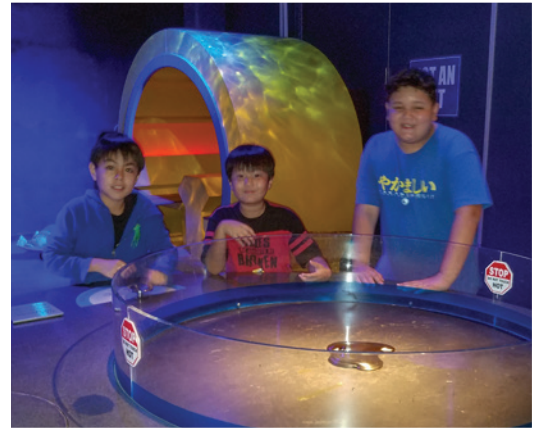

Joseph Passantino

A Message from our Principal

NIGHT AT THE MUSEUM

Our fifth graders had a once in a life time experience last month as they got to spend the night at Bishop Museum! They had an exclusive tour through the museum and the exhibits, got to see a planetarium show, participate in hands-on activities and sleep amongst the wonders of the Science Adventure Center. The program included a night snack and breakfast in the morning. We hope this was an experience that our 5th graders will always remember. Thank you to everyone involved for making this happen.

SHOCKA:
The Story of Energy & Hawaii

Thursday, April 19th our Kindergarteners and 1st Graders learned the science, cultural understanding and the specific challenges we face with energy in Hawaii with Honolulu Theatre for Youth's production of *Shocka: The Story of Energy in Hawaii* at Tenney Theatre.
