Happy December!

Wow! I can't believe it is already December. It's hard to comprehend that 2018 is almost over. The year is moving quickly with all of our student activities and exciting learning opportunities filling the days. It is amazing to see the students engaging in challenging math problems, writing, reading, building science projects, and creating music and artwork. As I walk through classrooms and visit with students, I am amazed to see how much growth our students have made in the few months of the 2018-2019 school year. We challenge our students to dig deep into texts, have authentic discussions with peers, and challenge each other's thinking in respectful ways. On behalf of all of the Ali'iolani teachers and staff, I would like to thank you for all of your support in creating a wonderful, collaborative, fun, and safe learning environment for all of our students. I can't wait to see what our students will do in 2019!

Have a happy holiday season!

Sincerely,
Joseph Passantino
Principal
