ALI'IOLANI Science FAIR

Tuesday, December 17th was Ali'iolani's 2nd Annual School Wide Science Fair. Our students and teachers have worked very hard on their experiments and project boards. HAPPY NEW YEAR 2020

A Message
from our
Principal!

Dear Ali'iolani Families,

I want to wish everyone a Happy New Year and hope that you had an enjoyable Christmas break!

The holidays are a wonderful time for families to spend time with one another and make memories.

January can be a great time for reflecting back over the past year, as well as looking ahead to the new one. I would like to encourage parents and students to discuss how school has been going, and make some goals for the new semester. Communication between school and home can often help solve academic problems when they arise. By working together, everyone will have a successful second semester, both in and out of the classroom.

Have a great 2nd Semester. We appreciate your partnership and participation in your child's learning journey.

Sincerely,

Joseph Passantino
