ROTARY CLUB OF KAHALA SUNRISE DICTIONARY PROJECT 2019

Thursday, September 19th Rotary Club of Kahala Sunrise marked their first visit to area schools for their annual Dictionary Project. They visited our third graders and taught them how to utilize this student dictionary. It's part of their commitment to supporting education and literacy. Mahalo Rotary Club of Kahala Sunrise!!

Vision:

Empowering students to make a difference.

Dear Ali'iolani Family,

Dear Ali'iolani Families,

I know we are all surprised by how fast September has flown by!

We have certainly had a fantastic month here, it's been incredibly busy, but the progress the students have made in just a few short weeks has been astounding! By now, everyone is settling in well to their new classrooms, their new routines and getting down to the business of learning. This year has so much in store, our entire team is excited to witness our student's growth!

We are looking forward to a great October!

We appreciate your partnership in your child's education and are always here to support. Please let us know if there is anything we can do.

Sincerely,

Joseph Passantino

A Message from our Principal

Thank you to all who supported our school and shopped at our Book Fair last week! Next book fair will be at our school craft fair in December!

We are beyond proud to announce that our Awesome Ali'iolani Cafeteria Staff was recognized by the State of Hawaii, The Superintendent of the Department of Education, and The U.S. Representative of Hawaii Ed Case. The cafeteria was formally rewarded the Department Of Education's Team Excellence Award. This prestigious award is only awarded to a few departments per year. I can speak from experience that our food tastes better than any other school's food because our staff cooks with so much love and passion. Their positive energy and enthusiasm for their job and our school puts us head and shoulders above all others. Thank you so much for all you do and for who you are. WE LOVE YOU!

FOA MOVIE Night

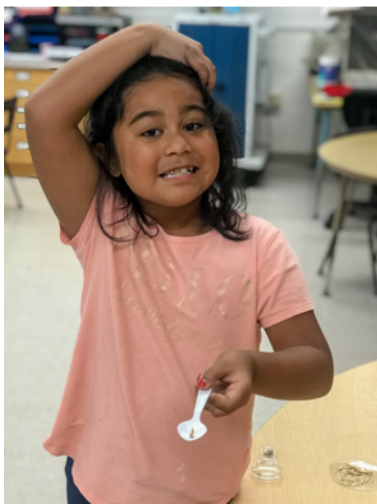

The Friends of Ali'iolani PTA held their first Family Movie Night on Friday, September 13th. The event was a huge success! Students and families watched "The Secret Life of Pets 2" under the full moon on our main lawn. This was the first ever outdoor movie night. The next FOA Family event scheduled is the Halloween Trunk or Treat event on Friday, October 25th. Details to come!

LIFE CYCLE OF MEALWORMS

Animals experience a variety of life cycles depending upon the animal species, but all cycles include the vital steps of being born, growing, developing, reproducing, and dying. Insects undergo complete metamorphosis or incomplete metamorphosis. Complete metamorphosis means the organism goes through four stages: egg, larva, pupa, and adult. Incomplete metamorphosis means the insect goes through only three stages: egg, nymph, and adult. A nymph looks just like a miniature adult. Check out our 3rd graders learning about mealworms and their lifecycle!!

3rd Grade Harvest

Last year our 3rd graders started a garden behind A Building and planted a variety of fruits and vegetables. Students worked hard every week to care for their garden after school. Our 3rd graders this year got to harvest some sweet potatoes.

Thank you to our 3rd Grade Teachers, Mrs. Tomita and Mrs. Kamau for working on a grant to get ukuleles donated to our school. We were awarded 40 brand new Fender Ukuleles for our students to learn music. Thank you Mrs. Tomita and Mrs. Kamau, we are grateful for your passion and love for Ali'iolani.
